

# CHARGE THE EARTH SUMMIT

1st October 2022 at the Greenway Centre, BS10 5PY

10:00am-11:00am, Main Stage

**Quickfire talks: Help with energy bills and insulation for homeowners, tenants and businesses**

11:00am-12:00pm, Main Stage

**Will the energy crisis be used to cop out of UK climate change commitments?**

- **Organiser:** Darren Jones MP, Member of Parliament for Bristol North West
- **Dr Ed Atkins**, a senior lecturer in human geography interested in a just energy transition
- **Dr Claire Gronow**, an official representative for Extinction Rebellion Bristol and a lecturer in environmental management
- **Professor Daniela Schmidt**, a paleobiologist and a lead author of the Intergovernmental Panel on Climate Change (IPCC) report

12:00pm-12:30pm, Main Stage

**Filming A Perfect Planet**

Find out what it's like to work with David Attenborough and the impact humans are having on the planet in a special video-led talk by natural history producer Nick Jordan

12:30pm-1:00pm & 1:00pm-1:30pm, Live Demo Stage

**How to install loft insulation**

Whether you're confident in DIY and keen to install your own insulation, or you just want to find out more about what's involved, the team from InstaGroup will have it covered

1:30pm-2:30pm, Main Stage

**How do I prepare my home for extreme weather?**

- **Organiser:** Darren Jones MP, Member of Parliament for Bristol North West
- **David Robson**, CEO of the building energy efficiency company InstaGroup
- **Sam Turner**, architect and a member of Architects Climate Action Network

2:30pm-3:00pm, Live Demo Stage

**Quickfire talks: Quick-and-easy wins to make your home more energy efficient**

3:00pm-4:00pm, Main Stage

**How do we end the energy crisis?**

- **Organiser:** Darren Jones MP, Member of Parliament for Bristol North West
- **Nigel Costley**, Regional Secretary for the South West branch of the Trades Union Congress
- **Rachel Fletcher**, Director of Regulation & Economics, Octopus Energy
- **Dr Andrew Garrad CBE**, an engineer, businessman and pioneer of the wind power industry
- **Sian Norris**, Social Affairs and Europe Reporter at the Byline Times

10:00am-11:00am, café area

**Climate Action Networking Event**

An informal gathering for local climate action groups. Grab a coffee and discuss what has and hasn't worked for your group, and where collaboration might be possible.

11:00am-4:00pm, Community Corner in café

**Children's Climate Corner**

The team from We the Curious – Bristol's science centre – will show kids how to make origami hats and explain how loft insulation is like a hat for your house!
